Suzan Rana

Butwal, Nepal• dev.suzanrana@gmail.com • 9848497112 • https://suzanrana.com.np

Education

Lumbini City College   Tilottama, Nepal
Bachelor in Computer Application (BCA)   2020 - Present

New Horizon College [3.3 CGPA]   Tilottama, Nepal
+2 Science   2018 - 2020

Experience

Danfe Solutions Pvt Limited   Butwal, Nepal
Full Stack NodeJS Developer   June 2023 - October 2023
- Developed inhouse and client based applications with cutting edge technologies like NextJS, tRPC, typeScript, Nodejs, ExpressJS, MySql, MongoDB.
- Implemented a food ordering application called Aavashree, a luxembourg based food ordering application

Lancemeup Pvt Limited   Lalitpur, Nepal
React Developer Intern   Oct 2022 – Feb 2023
- Played a key role in the development of lancemeup.com, a SASS product using Typescript, React, NextJS, SCSS. Specifically, I took sole responsibility for developing the user tracking module, implementing robust tracking mechanisms to monitor user behavior and enhance product analytics.
- Assisted in maintaining various modules within the Sass product, including the drive and workspace modules. Collaborating closely with the team, I actively addressed bugs, implemented new features, and optimized performance to ensure seamless functionality and enhanced usability.
